Get a taste of what tertiary learning is all about and gain essential skills for work!

Whatever your background, you can start somewhere. This foundation level programme is a great option if you want to re-engage with study and gain confidence and skills to enter the workforce.

You will undertake community work, volunteering and/or practical trade learning at Otago Polytechnic. This will enable you to gain industry experience and knowledge in your chosen career pathway and ideally to apply the essential skills that you will have learned earlier in the programme.
