Fee: Free study during 2022 - full programme normally \$2,492 (approx. \$623 per year)

Due to the Government's Targeted Training and Apprenticeship Fund (TTAF).

- You will still need to pay for any additional course-related costs such as protective footwear.
- You can pay for this yourself or apply for a loan/allowance via [Studylink](#).

TTAF only covers study during 2022. However, you may be eligible for further tuition fee cover under the [Government's Fees Free](#) scheme. See the [Paying for your study](#) section below for more info.

This programme is not available for international students.

Carpentry apprenticeships (ITAB)

Become a carpenter, site supervisor, building project manager, construction firm owner or self-employed builder.

Learn from professionals and gain sought-after skills with this carpentry apprenticeship pathway brought to you by Otago Polytechnic and [Industry Training Association Building \(ITAB\)](#). This apprenticeship option allows you to work in the construction industry as an employee, under the supervision of someone who is prepared to train you. It addresses industry standards and provides learners with the full support of regional coordinators.

At the completion of your apprenticeship - which allows you to earn while you learn - you will achieve a respected and in demand qualification, the New Zealand Certificate in Carpentry (Level 4). This qualification is a gateway qualification to becoming a Licensed Building Practitioner (LBP) and will be awarded to you by Otago Polytechnic.
