

Otago Polytechnic Media Consent Form

Thank you for agreeing to participate in future promotions of Otago Polytechnic. Signing this form indicates that you understand the purposes for which your image (photo or video), name and/or statements will be used.

I give permission for Otago Polytechnic to use my photo, video, artwork, name, and or profile for promotional purposes. These may appear in (but not limited to) print publications, online videos, websites and other material aimed at promoting Otago Polytechnic, Polytechnic education and New Zealand as an educational destination. The term of the licence is in perpetuity and the territory is worldwide.

I am not aware of any circumstances which might mean that the use of my image by Otago Polytechnic has the potential to adversely affect the reputation of the Polytechnic.

I understand that I have the right to delete my file at any time. Once this request is made it will be applicable to future productions – all existing promotions will continued to be used until they expire or are replaced.

Please forward your request to vetnursing@op.ac.nz. Otago Polytechnic will use discretion when using any of the above and will not discredit you in any way.
