“Transforming performance through Lean Thinking”

Providing delegates with inspiration, thought leadership, best practices and networking

We bring together your Business Leaders Community to share fresh ideas, network with peers and help expand your learning to improve, leverage and sustain your lean journey.

Through a blend of presentations and interactive sessions hosted by both industry and academic experts, you will leave empowered and enthused to create your Lean Business System for Growth.

Set aside this day to invigorate and re-energise your organisational improvement journey in a hub of experts, hear from thought leaders giving practical advice and a wealth of practitioners sharing their experiences from a range of industry sectors.
