Credits	60
Level	3
Start	July
Apply	Now

Now you can begin your journey to become an engineering technician no matter what your academic background!

Do you want to prepare for diploma-level study in engineering? Then this bridging programme is the perfect option.

Successful completion will ensure you meet the academic entry requirements for our New Zealand Diploma in Engineering ([Civil](#), [Mechanical](#) or [Electrical](#)) so you can achieve your goal of becoming an engineering technician.

Our modern equipment and facilities will allow you to gain industry-relevant knowledge through hands-on learning. Many of our staff are experienced industry practitioners which means that you will benefit from their high level of skill and up-to-date expertise.
